Quantity: 2 Manufacturer: AMERICAN DJ
 	TRACKSPOT® King of the club scene, Trackspot is a versatile and affordable moving mirror fixture that outperforms any luminaire in its class. Superb engineering, sharp optics and a variety of control options make Trackspot a great value in low-cost automated lighting. Trackspot features eight richly saturated dichroic colors (plus white) and a 5600° color corrector. The 10-position gobo wheel has eight patterns, including two multi-colored dichroic patterns plus one replaceable template position. Designed specifically for the Trackspot, the economical quartz halogen lamp combines long-lasting reliability with impressive output. The self-aligning lamp and socket design never need adjustment or optimization, and the color temperature remains stable throughout the life of the lamp. The sound-to-light feature allows the light to move automatically to music. With so many options, Trackspot will enhance any club's atmosphere with a wide range of exciting colors and patterns. Quantity: 2 Manufacturer: HIGH END SYSTEMS®
